## Comunicado N° 003/22 – COMITÉ NACIONAL DE JUECES

Ref.: Modificaciones

WA en Arco Raso

La Plata, 02 de febrero de 2022

Sres. Presidentes de  
Instituciones Afiliadas  
S \_\_\_\_\_ / \_\_\_\_\_ D

World Archery ha decidido aceptar, otra vez, el uso de anti vibradores en las palas del Arco Raso. En octubre del año pasado ya habían anunciado que no estarían permitidos a partir de las nuevas Normas 2022 (se adjunta bylaw Fotos 1 y 2).

El 14 de enero de este año se publicaron en la página web de World Archery los documentos que señalan los cambios introducidos (Foto 3) y los nuevos Libros de Reglas (Foto 4) con las modificaciones vigentes. Con fecha 27 de enero de 2022, World Archery vuelve a cambiar la redacción de los artículos que regulan el equipo de los Raso aceptando el uso de los amortiguadores de pala (Foto 5).

Lamentamos las idas y vueltas, pero somos ajenos, como queda claro, a estas circunstancias. Sólo cumplimos en informarlas. Seguiremos revisando por si existe alguna otra corrección ya que World Archery no notifica de este tipo de cambios que advertimos sólo mediante la lectura periódica de los Libros publicados por World Archery en su página o por la comunicación permanente que mantenemos con jueces de otro países.

Saludos cordiales

JN José del Torno  
Presidente CNJ

JN Paola Praschker  
Secretaria CNJ

permitted, provided they do not incorporate any device that shall assist the athlete to hold, draw and release the string.

11.4.8.1 A separator between the fingers to prevent pinching the arrow may be used. An anchor plate or similar device attached to the finger protection (tab) for the purpose of anchoring is permitted. The stitching shall be uniform in size and colour. Marks or lines may be added directly to the tab or on a tape placed on the face of the tab. These marks shall be uniform in size, shape and colour and may have up to two different lengths. Additional memoranda are not permitted. On the bow hand an ordinary glove, mitten or similar item may be worn but shall not be attached to the grip of the bow.

### 11.4.9 Binoculars, scopes and other visual aids for spotting arrows:

11.4.9.1 Provided they are not used for ranging or represent any obstruction to other athletes.

11.4.9.2 Prescription glasses, shooting spectacles and sunglasses may be used. None of these may be fitted with micro hole lenses, or similar devices, nor may they be marked in any way to assist in aiming.

11.4.9.3 Should the athlete need to cover the non-sighting eye and or glasses lens, plastic, film or tape may be used to obscure vision, or an eye patch may be used.

### 11.4.10 Accessories are permitted:

11.4.10.1 Including arm guard, chest protector, bow sling, finger sling, belt, back, hip or ground quiver. Devices to raise a foot or part thereof, attached or independent of the shoe, are permitted provided that the devices do not present an obstruction to other athletes at the shooting line/peg or protrude more than 2cm past the footprint of the shoe.

11.5 For Olympic Games no electronic communication device is allowed on the competition field unless required by the Organising Committee.
